Medical Assisting Diploma Admission Process

**Fall Program Application deadline is May 8th to July 9th, 2026
(for Aug 2026 Program Start)**

**Spring Program Application deadline is September 1st to November 13th, 2026
(for Jan 2027 Program Start)**

Medical Assisting is a limited enrollment program beginning in the fall and spring of each year. Graduating high school seniors may complete this process and be provisionally accepted based on successful high school graduation before the program begins in the fall. Medical Assisting is a one-year, diploma program and all applicants must meet the minimum admission requirements to be considered for admission. **However, meeting the minimum requirements does not guarantee admission.**

All applicants must complete Phase I through Phase II listed below to submit the Medical Assisting Program Application before the deadline listed above.

Phase I: Complete your SPCC Admissions File

- Complete the SPCC General **Application for Admissions**
Must be within last year or general education course taken at SPCC within last year.
- Submit **official high school transcripts** (or adult high school/high school equivalent transcript).
Not required if applicant submits transcripts showing completion of Associate's degree or higher.
- Submit **official college transcripts** for all colleges listed on your application
All transcripts are required even if courses will not apply to this program. Transcripts are usually evaluated with 72 hours after they are received.
- Once all transcripts are received, you will be notified if **Placement Testing** is required.

Phase II: Medical Assisting Diploma Program Admission Requirements

- Attend a mandatory virtual Medical Assisting Information Session and complete the MA Request Form.

Check the [Medical Assisting web page](#) to complete the MA Information Session and the MA Request form. The MA Information Session is open for viewing at any time. The MA Request form will be available during the application windows.
- Eligible to take ENG 111, COM 110, COM 120 or COM 231 – eligibility is determined by SPCC Phase I Admissions.

- If you have completed General Education or MED courses listed on the curriculum map, you must have earned a grade of “C” or higher.
- Have a **GPA of 2.0 or higher in completed general education courses and MED courses** listed on the curriculum map

The Medical Assisting Diploma program is a 1 + 1 diploma/degree option. In order to progress into the MA degree, students must have successfully completed the diploma option with a 3.0 GPA.

Once all items above have been completed and documentation has been collected, email the phase II application and supporting documentation to Health Admissions (healthadmissions@spcc.edu). You must have all the items above in order to complete the application successfully and be considered for entry into the program.

Application Review Check List- Please bring checklist and all documentation with final application

- Completed all requirements in Phase I (General Admission) to SPCC.
- All current college transcripts are on file and have been evaluated for transfer credit.
- Any completed coursework on the MA Curriculum Map with a GPA of 2.0 or higher and a “C” or higher in all courses.
- Watched a Medical Assisting Information Session and completed the MA Request form.
- Completed Phase II application
- Copy of SPCC Unofficial Advising transcript with all transfer credits evaluated

Above documentation must be legible, have student name, and date of completion.

Accreditation Statements

The SPCC Medical Assisting Diploma Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Contact the Commission on Accreditation of Allied Health Education Programs at 25400 US Highway 19 North, Suite 158, Clearwater, FL 33763, www.caahep.org, or call 727-210-2350 for questions about the accreditation.

SPCC is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees, diplomas, and certificates.

Disclosure Statements

- The Medical Assisting Diploma Day classes will be taught on the L.L. Polk campus in Polkton, NC and the OCH(Old Charlotte Highway) campus in Monroe, NC.
- **Healthcare Provider CPR will be required by the January new student orientation (Spring) or August new student orientation (Fall) orientation if accepted.**
- Accepted applicants may be required to complete a criminal background check and a drug screen. Costs are the responsibility of the student. Based on the criminal background check and drug screen results, hospitals or clinical facilities where onsite training is conducted may deny you access to their facility, resulting in your inability to complete the clinical portion of the program. If you are unable to complete the clinical training, you will be unable to progress in the program, resulting in your removal from the program.
- All tattoos must be covered when in lab, class or clinical. Facial piercings are considered body piercings and are not allowed. The only exception to this rule is a stud nose piercing or stud eyebrow piercing. These must be covered with a clear retainer at all times during class, lab, or clinical.
- By accepting a seat in any SPCC Health Program, you forfeit your place on any alternate list for any other program.

Deferred Action Childhood Arrival (DACA) and Undocumented Student Notice

NCCCS policy allows DACA and undocumented applicants to enroll at SPCC at the out of state tuition rate. Acceptance to the college does not guarantee acceptance to a specific program. DACA students are eligible to apply to any Allied Health/Nursing programs. Undocumented students are not eligible for consideration in the application process to Allied Health or Nursing programs. According to North Carolina and Federal law, DACA and undocumented students are not eligible for North Carolina professional licensure.

This information is subject to change without notice based upon federal and state regulations.

Availability of Disability Services

SPCC provides ongoing services that encourage students with disabilities to integrate themselves into all aspects of college life. The Disability Services provider are available to assist with registration counseling, academic advisement and arrangements for appropriate accommodation(s). Reasonable accommodations are established on an individual basis. Students must provide documentation for a disability form a physician or other licensed professional in order to establish eligibility for services. Please email counselors@spcc.edu for assistance.
